

ABSTRACT

Sturdy HOLIDAY LITE/STOR-IT-RITE Storage Box with inserts. Storage Box has 2 rods that let the 2 insert loops slide right in. Inserts have plastic hooks on each side. Holiday strand lights will zigzag from right to left hooks until all strand is placed on insert. Top half insert can be used for icicle lights giving them enough room to hang freely, the bottom half can be used for regular strands. You slide the insert in storage box placing the 2 loops on the storage box rods. Box will hold up to 10 inserts. The storage box can also be used for garland, strands of beads or household extension cords. Snap the lid on box for perfect tangle free storage with no more broken or missing lights. Inserts can be used for Christmas, Easter, Fourth of July, Halloween, Thanksgiving or any other holiday strand light.
